## **Certified Roadside Market Program**

The CRM program is a voluntary participation program designed to: create, establish and improve the quality of Roadside Markets SC.

### **Basic requirements to be a CRM member.**

Sell primarily SC agricultural commodities to the public when in season.  
(CRM are not limited to produce, seafood markets also qualify.)

It has to be a permanent structure. (no tents!)

One farmer (several farmers can not sell at same location. That would be considered a community based market- contact Weatherly Thomas @ 803-734-2224)

The market must be in compliance with the Highway Department; Driveway Permits, Visibility, Adequate Parking Space. (See #6 of the Rules and Regulations)

Offer courteous service, fair prices to customers

Provide quality fresh produce and products

### **How to join:**

First step to joining the CRM program is to fill out the CRM application.

Once SCDA has received application, staff will visit and inspect market to verify that the above criteria have been met.

Once market has been approved, SCDA staff will provide market with an aluminum sign and CSCG promotional materials (price cards, posters and stickers)

List your market on SCDA's website and CRM directory that is distributed to welcome centers, public trade shows, the SC State Fair and other outlets.
